### NOTED VIOLINIST.

Carl Venth Receives Ovation in Tacoma  
—Will Play Here.

The Tacoma Ledger has the following to say of Carl Venth, the famous violinist, who will play at the Norwegian Saengerfest in Astoria:

"Not in recent years have Tacoma concert-goers heard anything to equal the violinist music which filled Masonic temple Tuesday night, when Carl Venth, the violinist, made his first formal appearance here in concert, assisted by Tacoma's scholarly musicians, the Grays, and won instant recognition as an artist of rare attainments. In deference to his reputation and also in honor of the assisting musicians, the hall—usually an empty place at midsummer concert—was very well filled and presented a brilliant appearance with scores of well known people in galleries and auditorium, among whom were many representative Norwegian citizens, who have keen interest in the visiting artist since

his arrival on the Sound, and who were the first in Tacoma to give him an artist's welcome.

"Owing to Carl Venth's standing as a composer and well-known director of music, much was anticipated in his playing. Everyone who had heard him on other occasions during the summer was there, and the attitude of the assembly was distinctly the sort to give inspiration and put an artist at his best. And there were no disappointments. From the first compelling note to the final sweep of his bow across the strings the music was that of a master. It was throughout, the work of one in whom music is the commanding passion—strong, virile, magnetic; noble in tone, and interpreted with the freedom and spontaneity possible only to the musician of great natural gifts."

Steamer T. J. Potter for Ilwaco, daily except Fridays, connecting with train for all points on North (Long) Beach. Call at O. R. & N. dock for information regarding rates, etc.

### INTEREST NEHALEM VALLEY.

That Locality Should Make Good Showing at Our County Fair.

As the surveyors for the Lytel Railroad are now busily engaged between Astoria and Jewell on the Olney route, it seems to be highly important that the pushing citizens of the Nehalem Valley should make an extraordinarily creditable showing at the County Fair that is to be held here in Astoria in conjunction with the Regatta.

It is not at all improbable that the making of an excellent exhibit at this fair will help in the building of the railroad and for that reason alone the Nehalem people could probably afford to make the effort of their lives in perfecting this exhibit for that reason if for no other.

The Nehalem Valley is celebrated all over Oregon, but after all, isolated as it is, without a railroad, it needs to be advertised in a way such that people with capital may know the extent and character of its resources.

Mr. C. S. Dow will go up the Nehalem Valley in an endeavor to attract the attention of the inhabitants to the advantages of both the County and State Fair, which is to be held on the 16th of September in Salem.

The County Fair exhibits, or that portion of which may be shipped, will be taken to Salem for the State Fair and thus all of those who make exhibits will be in a position to get double value for their money.
